## SUMMER INTERNSHIP REPORT-2025-26

The -Summer Internship program for the academic session 2025-26 was scheduled from 6th May to 14<sup>th</sup> May 2025 for grades IX - XII. Around 175 students were a part of the myriad activities planned covering 8 destinations. A detailed plan is shared in this document.

---

### Internship Report: Kohinoor Shopping Mall

---

#### Introduction

This report shares the highlights of our student internship program at Kohinoor Shopping Mall. During this immersive experience, we had the opportunity to explore various aspects of mall operations, interact with customers, and gain practical insights into the retail industry.

---

#### Program Overview

- Duration: 5<sup>th</sup> May to 10<sup>th</sup> May 2025
  - Location: Kohinoor Shopping Mall, Ahilyanagar, Maharashtra, India
  - Objective: To understand the functioning of a modern shopping mall and its impact on the local community.
- 

#### Activities and Learning

1. Orientation: We began with an orientation session, where we learned about the mall's layout, facilities, and safety protocols.
2. Retail Insights:
  - We shadowed store managers and observed customer interactions.
  - Explored different retail formats (clothing, electronics, cosmetics, etc.).
  - Learned about inventory management and sales strategies.
3. Customer Service:

- Assisted at the information desk, helping visitors with queries.
  - Witnessed how excellent customer service contributes to customer satisfaction.
4. Visual Merchandising:
    - Attended workshops on window displays and product placement.
    - Understood the importance of aesthetics in attracting shoppers.
  5. Food Court Experience:
    - Worked alongside food vendors.
    - Explored food safety regulations and hygiene practices.
  6. Security and Maintenance:
    - Accompanied security personnel on rounds.
    - Learned about emergency procedures and crowd management.
  7. Entertainment Zone:
    - Explored the cinema, gaming area, and kids' play zone.
    - Realized the role of entertainment in attracting footfall.
- 

## **Conclusion**

Our internship at Kohinoor Shopping Mall was an eye-opening experience. We appreciate the hard work of the mall management and staff in creating a vibrant space for shoppers. We look forward to applying our learnings in our future careers.

---

*Acknowledgments: We express our gratitude to Mr. Ghodke, the manager at Kohinoor Shopping Mall, for his guidance and support throughout the program.*

# INTERNSHIP AT EME WORKSHOP

Key Highlights of the Internship:

## 1. Vehicle Repairing:

- Understanding how the engine, brakes and other systems work together to make the vehicle run.
- Learning safety measures while working with mechanical components.

## 2. Gear Fixing:

Identifying basic gear components and understanding their role in controlling speed and power.

Checking gear systems, adjusting cables, and applying lubrication for smooth operation.

## 3. Tyre Fixing:

- Inspecting tyres for damage.
- Practicing how to safely change a tyre, use a jack, and tighten wheel nuts correctly.
- Gaining basic knowledge of wheel alignment and balancing.

## 3. Nut and Bolt Handling:

- Identifying different types of nuts and bolts used in vehicles.
- Learning how to properly tighten and loosen nuts and bolts using tools like spanners and wrenches.
- Understanding safety precautions to avoid damage or accidents.

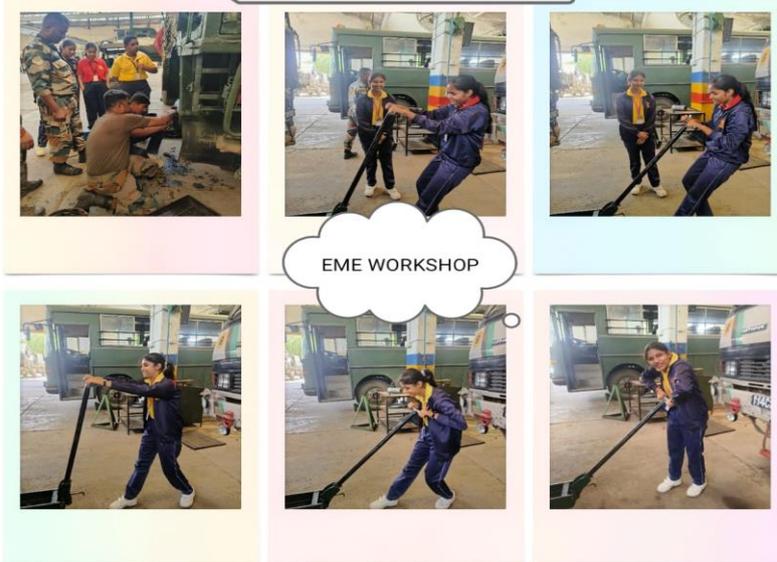

All students participated with enthusiasm and demonstrated curiosity, responsibility, and teamwork throughout the program. The hands-on experiences provided valuable insights into real-life problem-solving and mechanical skills.

We appreciate their active participation and encourage them to continue applying these skills in the future.

Report prepared by:  
Adv. Kiran Idhate  
Yogita Fulari

Summer Internship :

Location : SAW, A&E Workshop

- **Critical Thinking & Innovation:**

Learners gain the ability to analyze challenges, brainstorm ideas, and prototype their concepts using tools like Arduino, 3D printers, and coding platforms.

- **Hands-on Technical Skills:**

Students acquire practical skills in electronics, robotics, programming, and mechanical design through project-based learning.

- **Collaboration & Teamwork:**

ATL fosters a collaborative environment where students work in teams, enhancing communication, leadership, and cooperation.

- **Design Thinking Approach:**

Students follow a systematic approach to ideate, prototype, test, and refine their models, which encourages iterative learning.

## REPORT OF INTERNSHIP AT CSD CANTEEN ACC&S, MIC&S

Dated : 6<sup>th</sup> May to 10<sup>th</sup> May 2025 Timing : 2hrs daily

Teacher incharge : MS.AMINA RAJKOTWALA & MS. NISHAT SAYYED

### ❖ Program objective:

1. The main objective of internship in canteen management system is to manage the details of Canteen, Items, Stock etc.
2. Students will learn about billing of things and checking the items as per bills.
3. Students will get an idea for the maintenance of stocks, arrangement of materials in a proper way.
4. Students will learn the way to maintain the hygiene and cleanness in army canteen.

### ❖ Outcome achieved:

- 1) Students gained the idea to maintain stocks as per demand of customers.
- 2) Students helped in billing also and got good knowledge regarding computerized scanning and billing of products.

- 3) Students understood the importance of effective arrangement and presentation of products for sale so that customers can purchase.
  - 4) Students learned the management tools also.
- 

*Make The Dream Happen!*

## **APS STUDENT'S INTERNSHIP TRAINING PROGRAMME SCHEDULE**

**VENUE : MH AND DENTAL HOSPITAL**

**TEACHERS INCHARGE : MR.MAHESH MUNGSE**

### **Lecture on First Aid**

- **Learning Outcome:** Participants will understand and be able to apply basic first aid techniques to handle emergency situations effectively.
- **Responsibility:** Capt Tejaswani Akolkar

### **Visit to MI Room**

- **Learning Outcome:** Participants will gain practical insights into the operations of a Medical Inspection (MI) Room and understand the application of first aid in a clinical setting.

### **Lecture on Basic Life Support (BLS)**

- **Learning Outcome:** Participants will learn the principles of Basic Life Support, including the recognition of emergencies, providing high-quality chest compressions, delivering appropriate ventilations, and using an AED.

### **Demonstration on CPR**

- **Learning Outcome:** Participants will observe and practice Cardiopulmonary Resuscitation (CPR) techniques, enhancing their ability to perform CPR in real-life situations.

These learning outcomes ensure that participants will have a comprehensive understanding of the various health and safety topics covered in the training schedule, with both theoretical knowledge and practical experience.

## INTERNSHIP AT CAKE TOWN.

---

**Venue:** Cake Town, Bhingar, Ahilyanagar

**Date:** 5th May 2025 to 9th May 2025

**Time:** Morning Batch – 10:00 AM to 12:00 PM

**Teacher-in-Charge:** Ms Premlata W

### **Participants:**

- Aryan Shirsath
- Aryan
- Aditya
- Vaibhav
- Satvik
- Trupti
- Arya Mane
- Pradnya

Every year during the summer vacations, Army Public School Ahilyanagar organizes a **Summer Internship Program** for students of Classes IX to XII at various commercial outlets across the city. The objective is to expose students to real-world working environments and help them explore entrepreneurial and customer service skills.

This year, the program began with an internship at **Cake Town**, a popular bakery and café in Bhingar. On Day 1, students were introduced to different work areas within the outlet. Based on this, they were assigned tasks in various sections, including the store, cafeteria, counter, and kitchen.

Throughout the week, the interns actively maintained cleanliness in and around the shop, assisted in the kitchen area where cookies and breads were baked, and helping with the packing and weighing of products for sale. They learned to categorize and package items into different containers, ensuring accuracy and hygiene.

A few students were also allowed to handle customer interactions at the counter—an experience that significantly boosted their confidence and communication skills.

One of the highlights of the program was the tour of the **cake baking and frosting section**, where students got a hands-on experience of how cakes are prepared, decorated, and presented. They also had the delightful chance to taste freshly baked cakes, which they thoroughly enjoyed.

In addition to practical tasks, the internship taught them the importance of managing time during rush hours, organizing products as per demand, maintaining overall cleanliness, and practicing customer-friendly behaviour.

We express our sincere gratitude to **Mr Makhija and the entire Cake Town team** for their warm hospitality, guidance, and support throughout the program. A special thanks to them for the **scrumptious treat** provided on the final day—it was a sweet ending to a meaningful learning experience.

## INTERNSHIP AT BRAHAMAKUMARI'S AASHRAM

SEWA. X11 A2

Students for Internship at BRAHMAKUMARIS AASHRAM

These students will learn

1. Wall painting
  2. wall paper work
  3. Putty work on the walls.
  4. M. Mural art.
  5. Meditation
-

Date: 5/5/25 to 10/5/25

Timing. Timing: 0900hrs to 1100 hrs.

Teacher in charge-

BR Premamadhu Vishwakarma

### **LEARNING OUTCOMES OF THE PROGRAMME**

---

- **Improved self-confidence and self-awareness** through real-world experiences.
- **Development of responsibility, discipline, and punctuality.**
- **Better communication and interpersonal skills** by interacting with mentors and peers.
- **Understanding the value of teamwork** and collaboration in a professional setting.
- **Ability to reflect on personal strengths and areas for improvement.**
- **Development of a professional attitude and growth mindset.**
- **Creation of a basic portfolio or report** highlighting learning and achievements during the internship programme

### **OVERAL INCHARGE**

**Ms. Seema Sayyed**

**Ms.Tarranum Sayyed**

**THANK YOU**
